

## Summer of Adventure—DC Style

We are so excited to get the summer rolling and go on adventures with our Discovery Club kids! This summer, we will explore what it's like to be an actor, hear from firefighters who help keep us safe, explore the outdoors, and see what it's like to become a chef, athlete, artist, or even an engineer. Using Pinterest and the help of parents who work in these fields, the kids will get to see what it's like to choose any of these career paths. We will explore all of these jobs through dramatic play, arts and crafts, fitness, messy play, building and engineering, cognitive reasoning, field trips, and more!

**Themes:** our calendars show you our theme for the week so you can be prepared, but also gather your own related experiences or items to share with the whole group. Some weeks may be split up into a couple of different themes.

**Field Trips:** You will also see some special activities and field trips in bold on the calendar. Please make sure you look at each day, so you know the specifics of what your child will need each day. At the bottom of field trip days, you will find the arrival time for that day. The arrival time for all field trips will fall between 8:30 AM and 9:00 AM. Please make sure you double check arrival times on field trip days so we can have snack, get ready for the trip, go over rules and expectations, and be on the bus on time. We will return from most field trips by 3:30 PM. Our program cell phone number is on the back of all calendars and our website if you need to reach us while we are off-site.

**\*\*Please register for field trip days at least a week in advance. If you cannot register that far ahead, please let Ms. Katie or Mrs. Malin know so we can staff accordingly. We want to ensure the best safety and supervision every day, but especially when we are away from school. \*\***

**Safety first, then teamwork:** We will do our part to make sure your kiddos are safe and happy while they are with us, but we need your help in preparing them for their day. Many of our activities will be outdoors for varying amounts of time. Sun Protection, hydration, and nutrition are SO important during the summertime.

Please be sure your kiddos have the following EVERY SINGLE DAY:

- ✓ Sunscreen permission form (attached)—turn in the first day of summer
- ✓ Sunscreen with name on it (we can keep the bottle here), or other sun protection
- ✓ Water Bottle
- ✓ Healthy Snacks (we like Oreos too, but throw in an applesauce or carrots)
- ✓ Appropriate attire for weather and activities (walking shoes, swimsuit and towel, hat/sunglasses, etc.)

Please be sure to review our Handbook and Policies through our website ([fhdiscoveryclub.weebly.com](http://fhdiscoveryclub.weebly.com)). We are always happy to answer any questions, but we can't always get to the phone or emails immediately. **Remember we cannot accept drop-ins (not registered for the day); and cannot credit, refund, or switch days. You have until 10:00 PM the night before a needed session to get registered.**

Discovery Club will be operating through our cafeteria, music room, and STEM room this summer. There will be ongoing construction in the gym and library this summer. Please only use the cafeteria door for pick-ups and drop-offs.

We are SO excited to get into all of the fun adventures we have planned this summer!

- Stay in the loop by watching for emails from Katie Hetsko and Malin Bird Bear, as well as any district offices
- Check the calendars so you and the kiddos are prepared for the day.

# June 2019

- Kitchen is closed all summer—pack lunch, 2 snacks, & waterbottle every day (unless specified)
- Note arrival times for field trips—very important for departures. The bus does not wait.

Cherry Creek School District – *Extended Child Services*

## Sunscreen Permission Form

Name of Child \_\_\_\_\_

Name of Sunscreen and the SPF \_\_\_\_\_

ECS staff members will assist with applying sunscreen to bare surfaces including the face, tops of ears, bare shoulders, arms, legs and feet 15-30 minutes before outdoor activities. Sunscreen will not be applied to any broken skin or if a skin reaction has been observed. Any skin reaction observed by staff will be reported promptly to the parent/guardian.

It is the parent's responsibility to provide sunscreen with a minimum of SPF 15.

### Special Instructions

In the event that my child's sunscreen is not readily available, my child may use the sunscreen provided by the school, (list sunscreen and SPF)

Rocky Mountain Kids Sunscreen SPF 30

I do not want my child to use any other sunscreen other than the one he or she brings.
