

# Family Runner's Club 2019!

Family Runner's Club returns! Students will need to bring their families to the grassy area by the basketball courts starting at 2:50. Students and their families can walk/jog/run the quarter mile distance on the field. For each mile completed, students and their families will earn a plastic foot medallion. Everyone will receive a 24 inch chain to display their medallions!

Due to this being an after school activity, students will need to have an adult family member present to participate in the Family Runner's Club. **No permission slip required!** Just show up with your family! 😊

Don't worry families, if you don't want to do the laps, we can always use your assistance in marking students hands as they complete each lap!
